

"A Pig Sty Song"

(For having fun and counting backwards)

(Tune: "Ten in the Bed")

Lucy Jensen

Ten pigs in the sty, and the little one cried,
"I'm crowded! Roll over!"
So they all rolled over and one rolled out,
Nine pigs in the sty, and the little one cried,
"I'm crowded! Roll over!"
So they all rolled over and one rolled out,
Eight pigs in the sty, and the little one cried,
"I'm crowded! Roll over!"
So they all rolled over and one rolled out,
Seven . . . etc.

Continue the countdown and the last verse goes like this:

One pig in the sty, and that little pig cried,
"I'm lonely! Come back now!"
