I've looked there.

I've looked here and  
I've looked there.

2

I even looked up in the air!

I know she has to be somewhere.

3

I know she has to be somewhere.

4

Sometimes she has a  
bow in her hair.

4

5

Sometimes she has

7

Did she go outside  
to get some air?

7

is my teddy bear?

8

Oh, where, oh where  
is my teddy bear?

8

There you are,  
you silly bear!

There you are,  
you silly bear!

Give your teddy

10

Give your teddy  
extra care!
