Will it be doggie dinner time soon?  
Will you bring some for me?

Will it be doggie dinner time soon?  
I'll hold my bowl if you bring some.

Will it be doggie dinner time soon?  
I'll hold **my** bowl if you bring some.

Will it be doggie dinner time soon?  
I'll hold **my** bowl if you bring some.

Do I look sad and hungry?  
Please bring me some dinner soon!

Do **I** look sad and hungry?  
Please bring me some dinner soon!

Please do not bring me some of  
this yucky doggie grub!

This is not doggie dinner!  
Please bring me some!

Now this is **some** doggie dinner!  
You can bring this again anytime!

# Word List

some

soon

again
