My favorite treat!

Crunchy carrots for my lunch,
Munchy carrots . . . crunch, crunch, crunch!

Oh, I love the very first new day of school,
when we learn to follow each and every rule.

We get pencils, colored chalks,
and we play with balls and blocks,
but our brand new crayons are the very best!

(They're the best!)

Don't you love the very first new day of school?

Riding on the bus is really, really cool!

We learn to count and add,
and writing can be rad,
but our brand new crayons are the very best!

(They're the best!)

cr Shape Book

Directions: Duplicate one crate shape book for each child in the group. Staple several sheets of white bond behind the crate shape, staple at the top in the allotted spot. Allow children time to draw pictures of things that begin like crate. Children may dictate picture labels to the teacher/aide or make attempts to write their own. The teacher can write the correctly spelled under the child's invented spelling. Add the completed book to each child's collection of familiar reading.
