# Dragon Dreams

(Tune: The Mulberry Bush)

Cherry Carl

Artwork: [www.toonclipart.com](http://www.toonclipart.com)

I **d**ream of a **d**ragon in my sleep.  
She hides in a cave so dark and deep.  
She's got wings like a **d**ragonfly.  
Do you suppose she really flies?  
She doesn't ever wear a **d**ress.  
Her cave is such a **d**readful mess!  
Smoke rings **d**rift when days are **d**reary.  
My **d**ragon **d**reams just make me weary!

# Dog Dreams

(Tune: Old MacDonald without the chorus)

Cherry Carl

Artwork: [www.toonclipart.com](http://www.toonclipart.com)

What do dogs see in their **dreams**?

Is there **drama** or **dreary** schemes?

Do they **dream** that they can **drive**?

Do they **drag** at sixty-five?

Do they **dream** of **dried** up kibble,

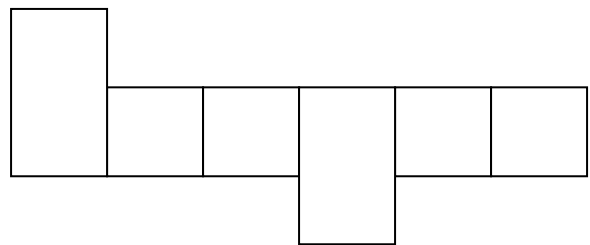

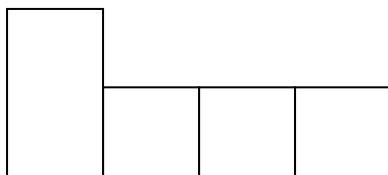

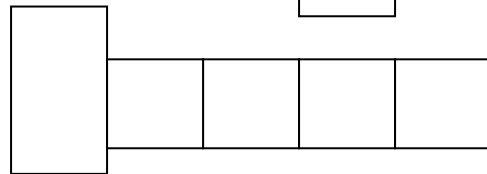

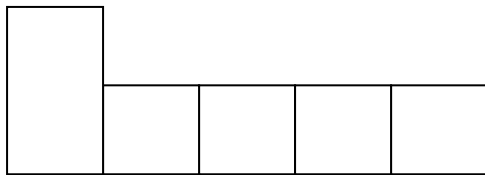

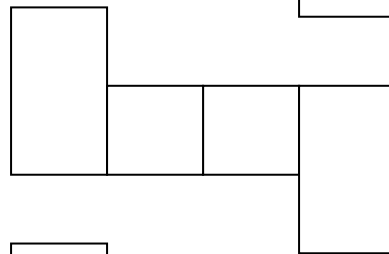

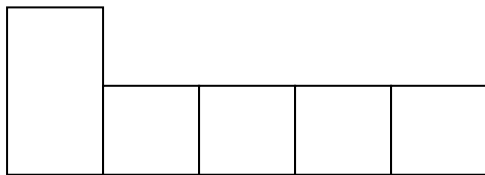

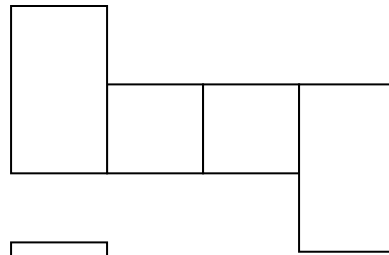

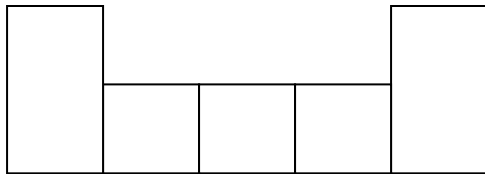

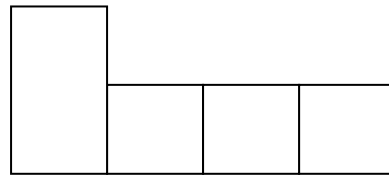

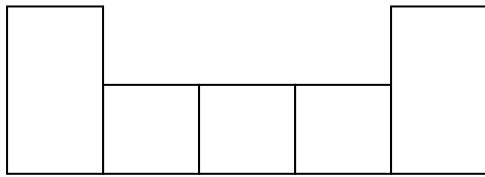

play the **drums** or even **dribble**?

I hope my dog **dreams** are not **drab**,

but I'll never know . . . he just won't blab!

Directions: Duplicate one drum shape book for each child in the group. Staple several sheets of white bond behind the drum shape, staple on the side in the allotted spot. Allow children time to draw pictures of things that begin like drum. Children may dictate picture labels to the teacher/aide or make attempts to write their own. The teacher can write the correctly spelled under the child's invented spelling. Add the completed book to each child's collection of familiar reading.
