

# Hard C and Soft C Sort

1. Sort the cards into three piles:  
**Hard C sound (as in cat)**  
**Soft C sound (as in city)**  
**Words I Can't Read Yet**
2. In your learning log, write all of the words you don't know how to read so your teacher can help you later.
3. Write a story using at least 3 hard c words AND at least 3 soft c words. You can use words from the cards you sorted.
