

PUPPY CHOW

Original from ABC Snack Cookbook

Materials: butter or margarine, peanut butter,
Chocolate chips, Chex cereal, baggies

Melt in a microwave:

- 1 stick of margarine
- 2/3 cup of peanut butter
- 1 package of chocolate chips

Pour over one 12 oz. box of Chex cereal in a large bowl.
Stir.

Give each child a zip lock baggie with a little powdered sugar in the bottom. Add one spoonful of cereal mixture and zip bag. Students shake the bag until it cools.

Be sure the servings are small because this is very sweet.
