I see an elephant,

I see an elephant,

an eager explorer,

an eager explorer,

and an *elevator*, too.

and an *elevator*, too.

I see 2 *Eskimos*,

4

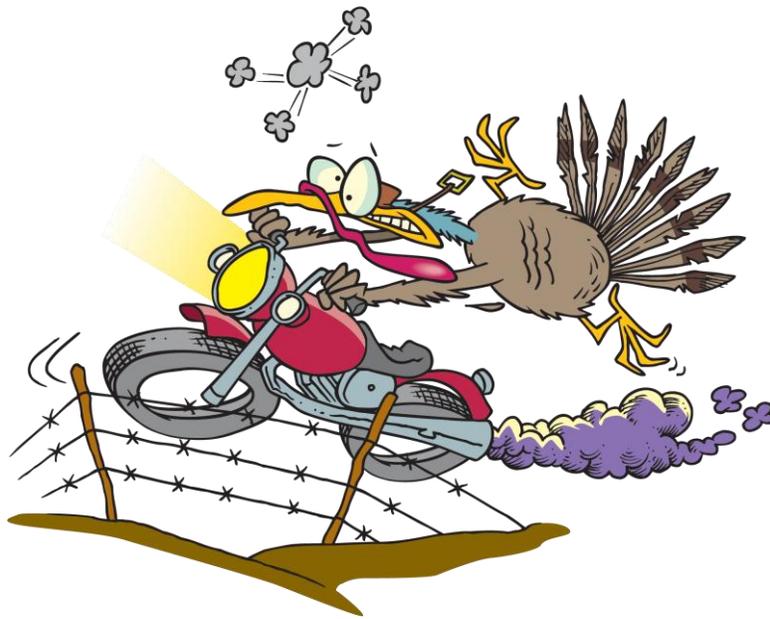

I see 2 *Eskimos*,

4

an exciting escape,

an exciting escape,

and an *elf* with things to do!

and an *elf* with things to do!

I see some *exercise* . . .

I see some *exercise* . . .

and *energy* from you!
