Monster Munch (M)

(Tune: Clementine)

In the mountains, in a meadow,
all the monsters met for lunch.

They didn't have a menu,
so they made some Monster Munch.

In went Mars Bars, marshmallows,
M and M's, and Milky Way.

They mixed them all together.

Now they make more every day.

Monster Munch (M)

(recipe developed and taste tested by Cherry Carl's kinders)

1 stick of butter or margarine

5 cups of marshmallows

1 tsp. vanilla

1 Milky Way bar

1 Mars Bar

1 Three Musketeer bar

1 Mounds bar

12 malted milk balls

2 cups of M and M's

4 cups cereal (we chose Disney's Magic Mix)

Put the margarine, marshmallows, vanilla, and candy bars in a medium sized pan. (I used an electric skillet.) Melt on low heat, stirring constantly. Remove from heat and stir in the cereal. Add M and M candies. Drop by the spoonful on waxed paper. Cool or chill and eat! This needs lots of supervision if you allow children to help rather than observe and it should be done in very small groups.
