They are all having a picnic.
How many are there?

1

They are all having a picnic.
How many are there?

1

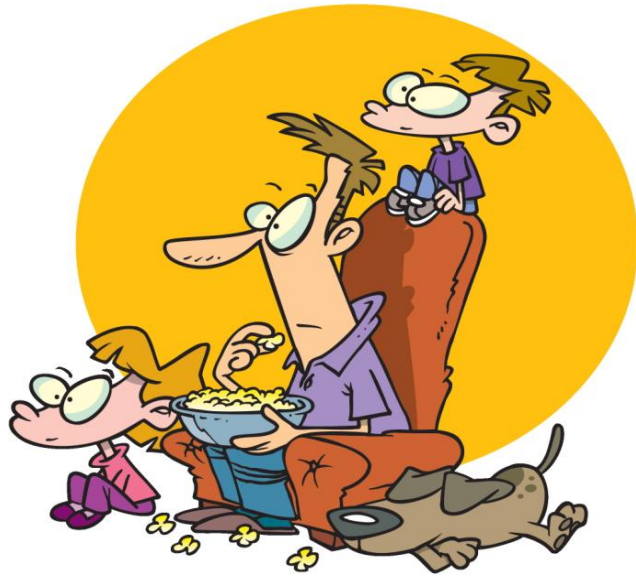

They are all having fun.
How many are there?

2

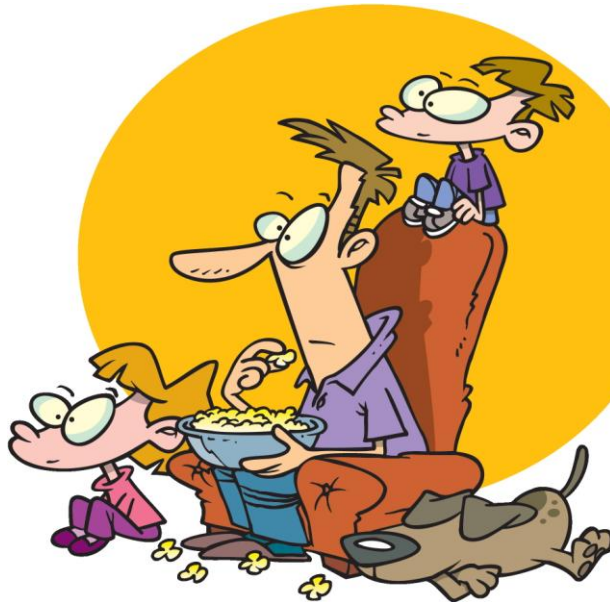

They are all having fun.
How many are there?

2

They are all watching television.
How many are there?

3

They are all watching television.
How many are there?

3

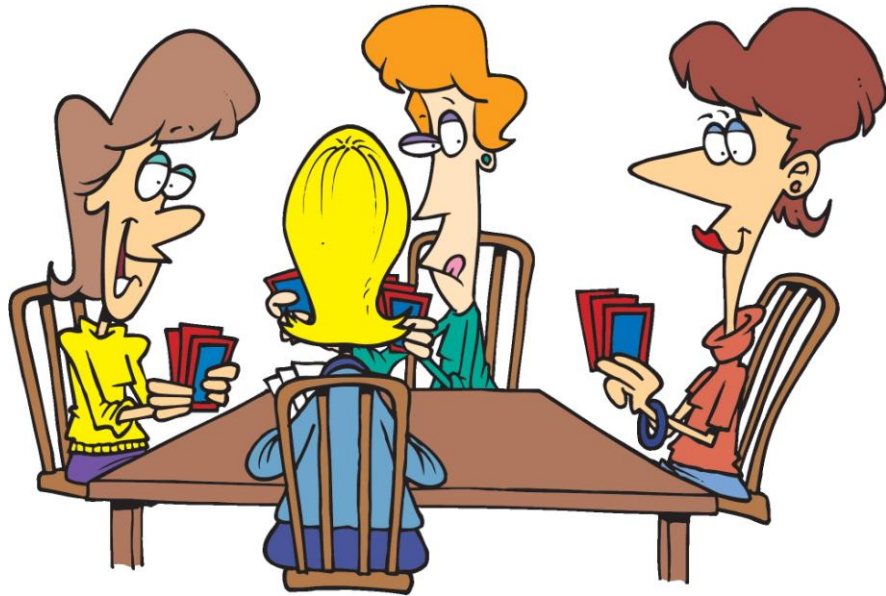

They are all making music.
How many are there?

4

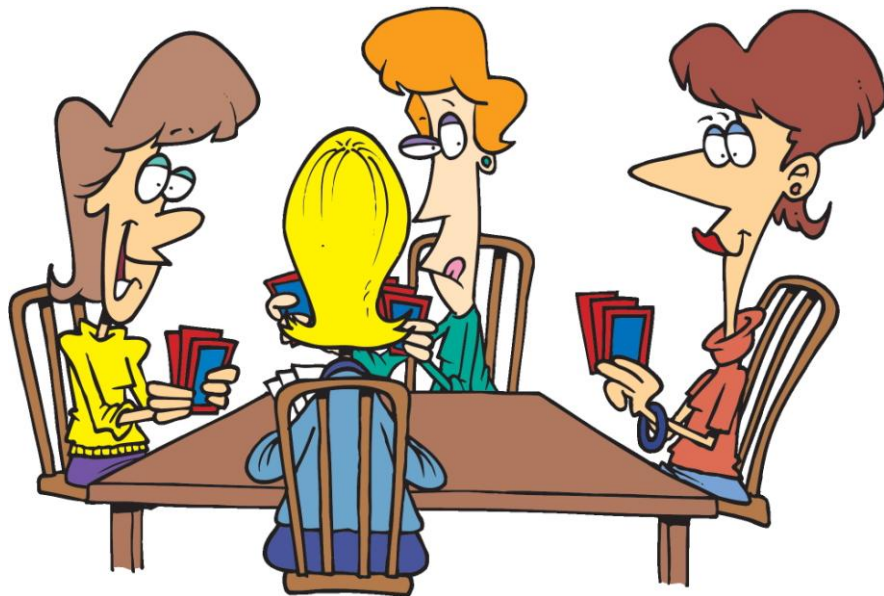

They are all making music.
How many are there?

4

They are all playing cards.
How many are there?

5

They are all playing cards.
How many are there?

5

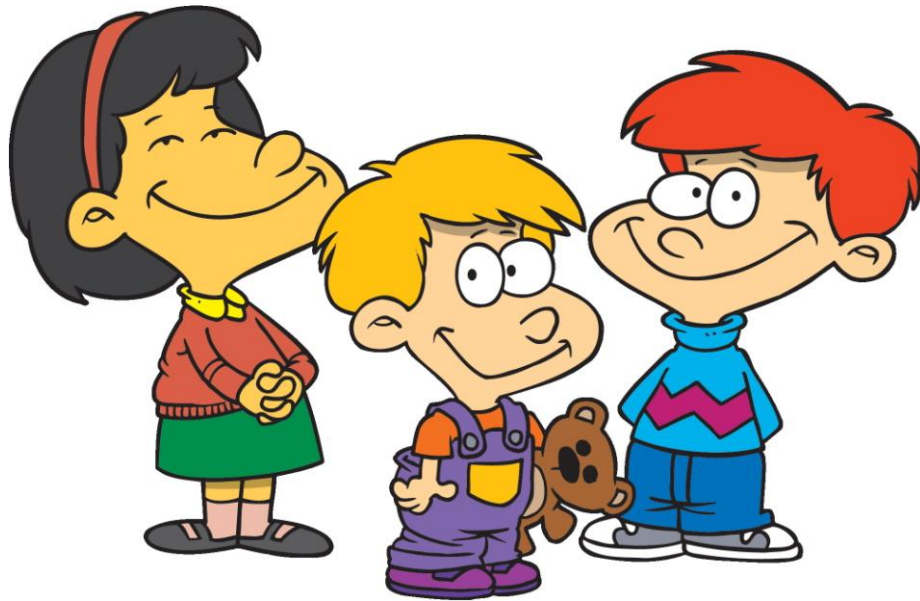

They are all at the rodeo.
How many are there?

6

They are all at the rodeo.
How many are there?

6

They are all playing together.
How many are there?

7

They are all playing together.
How many are there?

7

They are all drumming drums.
There are too many to count!

8

They are all drumming drums.
There are too many to count!
