Mama's got a cold, and it's all in her nose.
She carries four Kleenex wherever she goes!

1

Mama's got a cold, and it's all in her nose.
She carries four Kleenex wherever she goes!

1

Auntie's got a cold, and it's all in her nose.
She carries those pills wherever she goes!

2

Auntie's got a cold, and it's all in her nose.
She carries those pills wherever she goes!

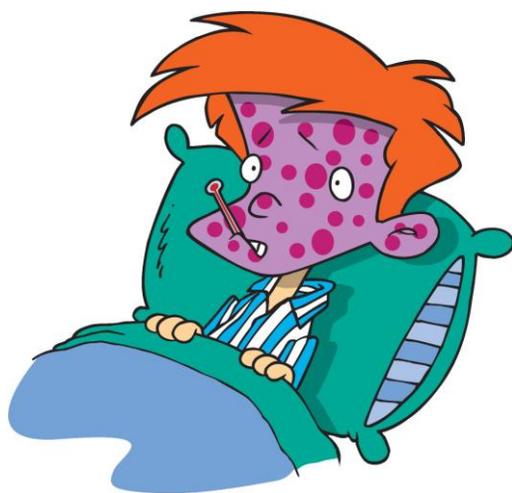

2

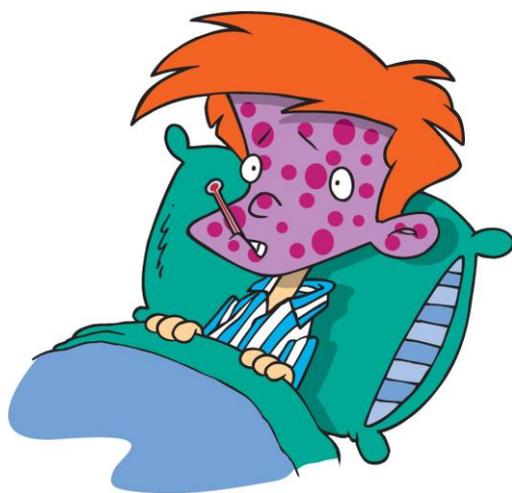

Grandma's got a headache and cold in her nose.
She carries those pills wherever she goes!

Grandma's got a headache and cold in her nose.
She carries those pills wherever she goes!

Johnny's got the measles and he stays in bed.
"Keep those spots right there on your head!"

Johnny's got the measles and he stays in bed.
"Keep those spots right there on your head!"

Mama got the measles and the doctor said,
"Keep those spots right there on your head!"

5

Mama got the measles and the doctor said,
"Keep those spots right there on your head!"

5

My daddy's got a cold and it's all in his nose.
He keeps those nose drops wherever he goes!

6

My daddy's got a cold and it's all in his nose.
He keeps those nose drops wherever he goes!

6

My mom and dad have a pain in the head,
Those two better just go to bed!

7

My mom and dad have a pain in the head,
Those two better just go to bed!

7

This little girl feels sick, I can tell.
She needs her mommy to make her well.

This little girl feels sick, I can tell.
She needs her mommy to make her well.

This little girl's in bed with her bear.
She carries him around just everywhere!

9

This little girl's in bed with her bear.
She carries him around just everywhere!
