

Play Ball!

Why?

- Interactive spelling practice
- Multi-modality activity
- Interaction with word wall words

How?

- Purchase a medium-sized, soft foam ball for activity.
- Say the first word on the designated list, tossing the ball to the first student.
- As the student catches the ball, he/she says the first letter and then tosses the ball to a second student.
- Play until the word is spelled and then move to the next word on the list.
- Continue through the list without interruption.
