

Mama, What Will the Weather Be?

Cherry Carl, 2006

(Tune: Oh, Dear! What Can the Matter Be?)

Mama, what will the weather be?

Look outside and then you will see!

Mama, what will the weather be?

Is it a good day for me?

It's raining! It's pouring!

Your papa's still snoring.

You'd better wear boots

And your raincoat.

That's boring!

Today it is pouring,

The thunder is roaring.

You'd better not argue with me!

Mama, what will the weather be?

Look outside and then you will see!

Mama, what will the weather be?

Is it a good day for me?

It's snowing! It's blowing!

You'd better get going!

You'd better wear boots

And your mittens.

I'm going!

Today it is snowing!

No time to be slowing.

You'd better not argue with me!

Mama, what will the weather be?

Look outside and then you will see!

Mama, what will the weather be?

Is it a good day for me?

It's freezing! I'm sneezing!

Your papa is wheezing.

You'd better wear boots

And your jacket.

No teasing!

It's cold out today,

Do you hear what I say?

You'd better not argue with me!

Mama, what will the weather be?

Look outside and then you will see!

I know what it is going to be.

Now I can see for myself!

It's windy! It's cloudy!

I know I'll be rowdy!

I'd better fly kites

With my friends.

I'll say howdy!

We'll run round and round,

And fall down on the ground.

Today is a day to be free!
