

# Snowball for Snowmen!

## Snowballs for Snowmen Directions:

Two little girls are rolling snowballs to make snowmen. Reproduce two copies of the snowballs and one each of the playing mats (for two players) on card stock and laminate for durability. Attach the label above to the folder or envelope that will store the materials. Play the game following concentration rules. In order to claim the matching snowballs the children must correctly read the /sn/ initial blend word.
