I can speed down the slopes
on my skis! I'm a pro!

I can speed down the slopes
on my skis, too! I'm a skiing dude!

I can speed down the slopes,
but I think this is the wrong way!

I don't speed down the slopes.
I'm a cross country skier.

I can speed down the slopes,
but I lose my skis!

I can speed down the slopes,
but this is too high for me!

We can speed down the slopes,
but we crashed! Bowling anyone?
