## Get Well Soon!

Nell's best friend, Belle, had been missing from school for three days. 12  
When Nell saw that she was absent again, she decided to give her friend a 27  
call after school. 30

"I think that you've missed a lot of school, Belle. Do you want me to 45  
bring your homework to you after school tomorrow?" she asked. 55

Belle wasn't sure that she was ready for homework, but she said, "Well, 68  
I think that's a good idea. After all, I don't want to get behind in my 84  
schoolwork. I'll see you tomorrow after school." 91

Nell collected all of Belle's homework the next day so that she could 104  
take it to her after school. She asked all of her classmates to make get well 120  
cards for Belle to take with her. Her teacher said, "I think that's a very 135  
thoughtful idea, Nell! I think I'll send her some flowers from my garden." 148

Belle couldn't believe her eyes when she saw all of the beautiful cards 161  
that her friends had made for her. She cried, "I think that these cards and 176  
flowers make me feel better already! I know that I will get well soon! Please 191  
call me again tomorrow after school!" 197

Nell saw that her call and her visit had cheered up her best friend. "I 212  
think that Belle will be back to school in no time!" 223
