## The Sloppy Sleepover!

Mom and Dad said that I could have a sleepover party for my tenth birthday.	15
They had no idea what they were in for and neither did I! I invited five of my best	34
friends to come over to sleep at my house on Saturday night. Mom said that she would	51
keep our dog, Mimi, outside and find something to do with my six year old sister,	67
Jamey. After all, no ten year old wants their little sister in the middle of a sleepover!	84
All five of my friends came over on Saturday night. We had pizza for dinner,	99
played video games and settled down on our sleeping bags in the family room to watch	115
a movie. We had root beer floats and popcorn for snacks. Mimi was outside, my little	131
sister was playing Bingo in the kitchen with my mom and dad, and everything was going	147
as planned. It was too good to be true, even though it was raining outside.	162
Suddenly, there was a crack of bright yellow lightning in the sky and a roar of	178
thunder. The lights went out and so did our video! Did I forget to tell you that Mimi is	197
afraid of thunder and lightning? She rushed from her doghouse to the back door,	211
where my little sister let her in.	218
Crack! More lightning and the rumble of thunder! Muddy Mimi ran into the	231
family room and jumped across a pile of pajamas, girls, root beer floats and popcorn.	246
She crawled into my new yellow sleeping bag and wouldn't come out until morning!	260
Mom says that the root beer will come out of my sleeping bag, the brown mud	276
on the carpet can be cleaned, and my five friends will always remember my sloppy	291
sleepover! I'm going to check with the weatherman before the next sleepover!	203
