

Name _____

Teddy Bear Picnic

I went for a walk in the woods one day,	10
And I met some nice folks on my way.	19
They were having a picnic that bears adore,	27
With berries and buns and goodies galore,	34
Jams and jellies and strawberry pies,	40
And a chocolate cake that was just the right size.	50
When I went for a walk in the woods that day,	61
I asked those folks if I could stay,	69
To taste those things that looked so yummy	77
And help to fill my empty tummy.	84
But when I spoke, to my dismay,	91
I scared those friendly folks away!	97
Even though I didn't ask it . . .	103
They left behind their picnic basket!	109
Now, what's a hungry bear to do	116
But take a great big bite or two?	124
I sat right down and began to eat,	132
And oh my goodness, what a treat!	139
Before you go for a walk in the woods,	148
Be sure to pack a picnic basket!	155
