Dear Kathi,	2
Your dad and I can't wait until we get to see you, Mike, and the twins for Christmas. We always have such a good time with you! We should be there from December 18 th until right around New Years Day. How about that? Are those dates good for you? We'll be flying from San Diego to San Jose.	13 22 33 41 50 59
We haven't bought any presents yet! Do you have any idea what the girls would like from Santa or from Grandma and Grandpa? Has Mike mentioned any presents that he'd like to have? We're going to be looking around the stores soon, so we will need a good shopping list. How soon can you send us your family's list? Don't forget to add yourself!	67 78 85 95 106 116 123
Kisses and hugs to the twins from Grandpa!	131

P.S. Tell Mike that Grandpa's looking around for a new laptop. Does he have any good suggestions?	143 151
